

THE BANANA BLUES

BASED ON "BISCUITS"

FROM KING OF THE COWBOYS

(Boy) Ooh, I got banana blues

(Mother) Why, I ate bananas all my life; I don't know why they'd cause such strife!

Ooh, I got banana blues

When we ate bananas in my day, We cherished their taste and stored them away!

Ooh, I got banana blues

Now, there's bananas of every kind - I'm an expert at banana finds!

Ooh, I got banana blues

There's banana pudding, And banana stew,

And great big bananas, And little ones, too;

And elderly bananas aged into goo!

Ooh, I got banana blues

Bananas for breakfast, bananas for dinner, bananas for supper too;

Banana dreams most every night!

Ooh, I got banana blues

We're gonna have bananas every day - I'll buy 'em on sale and and stack them away!

Ooh, I got banana blues

There'll be bananas here, And bananas there,

And bananas crawling through your hair!

There'll be bananas, more of them, everywhere!

Ooh, I got banana blues

When I go to the freezer to give 'em a check, of a banana I find not a speck!

Then I hear a "Don't move, pardner", and find the bananas have held up the larder!

Ooh, I got banana blues

Oozing black, and blue, and green, the bananas had a healthy sheen!

(Perfect for use in the bread machine...)

Ooh, I got banana blues

Bananas for breakfast, bananas for dinner, bananas for supper too;

Banana dreams most every night!

Ooh, I got banana blues

How 'bout a nice big juicy steak? With mushroom gravy and a big cheesecake?

Ooh, I got banana blues

All the trimming's, just food galore...

Ooh, I got banana blues

Well, bananas are for you in store.

...Ooh; I got banana blues...
